

COMPETITIVE TECHNOLOGIES, INC. OPPORTUNITY SUBMISSION REPLY

For further consideration of information, CTT needs the formality of having a Non-Disclosure Agreement (NDA) in place. To protect the confidentiality of both parties, any information received without a signed and dated NDA will not be accepted by CTT.

Evaluation of information requires the return of two fully-completed and signed copies of the NDA, along with completion of the invention submission information form below, sent to the attention of:

Business Development Manager, Competitive Technologies, Inc.,
777 Commerce Drive, Suite 100, Fairfield, CT 06825.

Or you may fax the forms to the attention of the Business Development Manager at 203-368-5399.

A member of CTT's Business Development team will reply as soon as possible. Thank you for your inquiry.

Confidential Invention Submission Information

1. Provide a brief description of the invention (summary/abstract).

--

2. Identify the novel concept and the problem it solves.

--

3. What are the immediate and future applications of the invention?

--

4. Does test data exist that supports proof-of-concept?

5. Have prototypes, products, apparatus, compositions, etc., been made and tested?

6. How much **time** and **money** would be required for "beta" evaluation?

7. What limitations must be overcome prior to commercial application?

8. Are any regulatory, safety or environmental factors relevant?

9. What industries should be interested or have expressed interest in this technology?

10. Who else is working in this technological field (other academics, companies, etc.)?

11. What are the closest competing technologies, products, etc.?

12. Why is this invention an improvement over existing technologies?

13. Has this technology been publicly disclosed in any way? Any papers presented? Planned publication? If yes, provide details and dates.

14. Who has sponsored the R&D and under what terms?

15. Other comments:
